Gambling
and
Drug Use Survey Report

September 30, 2013

During the Holmes County Fair, held August 5-10, 2013, the Holmes County Gambling/Drug Use surveys were completed by the general public who were over the age of 14. People who visited the Safe Communities and Holmes County Prevention Coalition Fair Booth were asked to fill out the surveys. If they completed the survey they were able to put their name in for a chance to win a \$25.00 Wal-Mart Gift Card. Consumers of the Breaking the Barriers Job Search WEP program and many volunteers participated in manning the fair booth and encouraging the public to fill out the surveys. 178 surveys were completed by attendees at the Holmes County Fair.

During the Wayne County Fair, held September 7-12, 2013, the Wayne County Gambling /Drug Use surveys were completed by the general public who were over the age of 14. The surveys were completed at the Safe Communities Fair Booth and the Wayne/Holmes Mental Health and Recovery Board Fair Booth. If they completed the survey they were able to put their name in for a chance to win a \$25.00 Wal-Mart Card. 163 surveys were completed by attendees at the Wayne County Fair.

The consumers and instructors of the Holmes County Breaking the Barriers Job Search WEP program entered the survey data and compiled the statistics from both the Holmes County Fair and the Wayne County Fair. Tracy Hartman, an instructor of the program was very instrumental in the creation of the graphs and charts included in the report.

A sample of the Holmes County Survey and the Wayne County Survey is included in the report.
